About us

Dr. Mohanbhai I. Patel Institute of Vocational Studies, an initiative of the Dr. Mohanbhai Patel Education Trust, is dedicated to providing vocational education and skill development programs to the youth of India. Our institute aims to bridge the gap between formal education and the ever-evolving demands of the job market. With a focus on employment-centric training,

We offer a wide range of degree, diploma, and certificate programs recognized by leading government universities and boards. Our courses are designed to equip students with practical skills that enhance their employability and prepare them to thrive in a competitive workforce. In addition to technical training,

We emphasize the holistic development of students, promoting innovation, critical thinking, and ethical values. Through our programs, we aim to contribute to the socio-economic growth of the nation by developing a skilled, capable, and confident workforce.

Vision

To empower the youth of India with skill-based, employment-centric education, fostering self-reliance and contributing to the socio-economic development of the nation.

Mission

- To offer a wide range of vocational courses, degrees, diplomas, and certifications in collaboration with recognized universities and boards.
- To equip students with practical skills that align with industry needs, enhancing employability.
- To create a learning environment that nurtures innovation, critical thinking, and entrepreneurial spirit.
- To focus on holistic development, including soft skills, ethics, and social responsibility.
- To contribute to nation-building by developing a workforce ready to take on real-world challenges.

Values

- Integrity: Commitment to transparency and ethical practices in all operations.
- Excellence: Striving for the highest standards in education and skill development.
- Inclusivity: Providing equal opportunities to all, regardless of background or socioeconomic status.
- Empowerment: Fostering independence and confidence through knowledge and skills.
- Collaboration: Building strong partnerships with industries, institutions, and the community for mutual growth.
